

BostonTrading.co presents:

ASHIRVAD, the world's first Sattvic-compliant Ahimsa Crypto Fund

- Investment Prospectus

"Wealth should align with Dharma—pure, ethical, and in harmony with the universe. The ASHIRVAD Sanata Dharma Crypto Fund from BostonTrading.co follows Ahimsa and Sattvic principles, ensuring investments are free from harm, exploitation, and unethical industries. Designed for Hindus and Buddhists, we merge blockchain innovation with Vedic wisdom, offering transparency, security, and mindful prosperity. This is more than investing—it's Seva to your future. Are you ready to grow with purpose?"

Mission Statement

The ASHIRVAD Crypto Fund aligns with Hindu, Buddhist, and Sikh values, offering a portfolio centered on non-violence, compassion, ethical work, and community support for spiritually conscious investors.

Selection Criteria

- Excludes investments in weapons, alcohol, gambling, animal cruelty
- Avoids industries that harm the environment
- Prioritizes ethical supply chains and fair trade
- Supports projects promoting social good, health, and education

Disclaimer: Investing in cryptocurrencies carries inherent risk, including potential loss of invested funds. This fund follows Sanatana Dharma, Sattvic, and Ahimsa principles, but ethical compliance does not eliminate market, regulatory, or technology risks. Cryptocurrencies are volatile, and past performance does not guarantee future results. Investors should assess their financial objectives, ethical beliefs, and risk tolerance before investing. Consulting with spiritual advisors and financial professionals is recommended to ensure investments align with both Dharma and financial well-being. © BostonTrading.co 2025
