

[BostonTrading.co](https://BostonTrading.co) presents:

# RAFAH, the world's first Shariah-compliant Halal Crypto Fund

## - Investment Prospectus

"Your wealth should work for you—ethically and in line with your faith. With Shariah-compliant crypto investing, you avoid riba, gharar, and unethical industries, ensuring halal growth. The RAFAH Halal Crypto Fund blends blockchain innovation with Islamic finance, offering transparency, security, and real impact. This isn't just about profit—it's about barakah in your wealth. The future of ethical investing is here. Are you ready?"

## Mission Statement

The RAFAH Halal Crypto Fund from [BostonTrading.co](https://BostonTrading.co) offers observant Muslim investors exposure to blockchain assets while complying with Shariah financial principles, including the prohibition of riba, gharar, and investment in haram industries.

## Selection Criteria

- ✔ Excludes interest-based platforms
- ✔ Avoids alcohol, gambling, pork, and adult entertainment
- ✔ Focuses on profit/loss sharing and ethical finance
- ✔ Supports environmental sustainability and financial inclusion

## Sample Portfolio Allocation

Asset/Project	Type	Weight (%)	Rationale

ZakatDAO	Charity Platform	10	Automates zakat calculation and distribution
Celo (CELO)	Financial Inclusion Blockchain	15	Supports inclusive financial tools

Disclaimer: Investing in cryptocurrencies involves risk, including potential loss of capital. While this fund follows Shariah guidelines, compliance does not guarantee profitability or eliminate financial risk. Prices can fluctuate due to market forces, regulatory shifts, or technology failures. Past performance does not guarantee future returns. Investors should consider their financial goals, risk tolerance, and Islamic ethical principles before investing. Consultation with Islamic scholars and financial advisors is recommended to ensure investments align with your values and risk tolerance. © [BostonTrading.co](https://BostonTrading.co) 2025
